THE CREATIVE TALENT
BEHIND GLOBAL
BRANDS ON A
START UP BUDGET.

What is Level Up?

It's a Creamos CSR initiative that offers high-end branding services for a significantly lower price.

It enables early-stage companies to:

- 🪙 Increase their valuation
- 📣 Accelerate traction
- ❤️ Embrace their purpose

Level Up addresses economic inequality by fostering startups to bloom whilst redistributing wealth.

Level Up services:

Level Up can support your startup with different creative solutions, such as:

- ★ Brand and component style guide
- ★ Pitch deck and investor assets
- ★ Product wireflows and design
- ★ Website and digital experiences
- ★ Explainer animations & video
- ★ Funding & traction campaigns

Who is leading this?

Creamos is a Creative Agency that implements brand solutions for different touchpoints of the customer journey.

We work with established global brands such as:
